ST. MARK'S, 1960

This first issue of "The Marker" is dedicated to the memory of Mr. James A. Hogle, whose vision and generosity made a dream become a reality.

To Our Seniors:  
What a "First" this year is! Our first  
graduation--our first Annual--so many fine ac-  
complishments achieved! Truly, we are coming of  
age. This Senior Class has set some high marks  
for those who follow. The whole District joins me  
in congratulations and sincerest thanks.

Saint Mark's School

10 May 1960

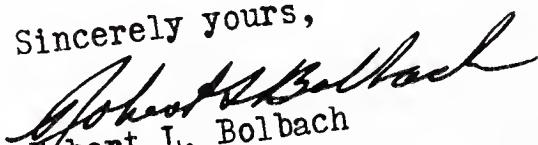

Dear Seniors,

Saint Mark's School will never again have the privilege of graduating a class which will be able to claim as many "firsts" as the Class of 1960. No future class will have thrust upon its shoulders the responsibilities which have been forced on your class.

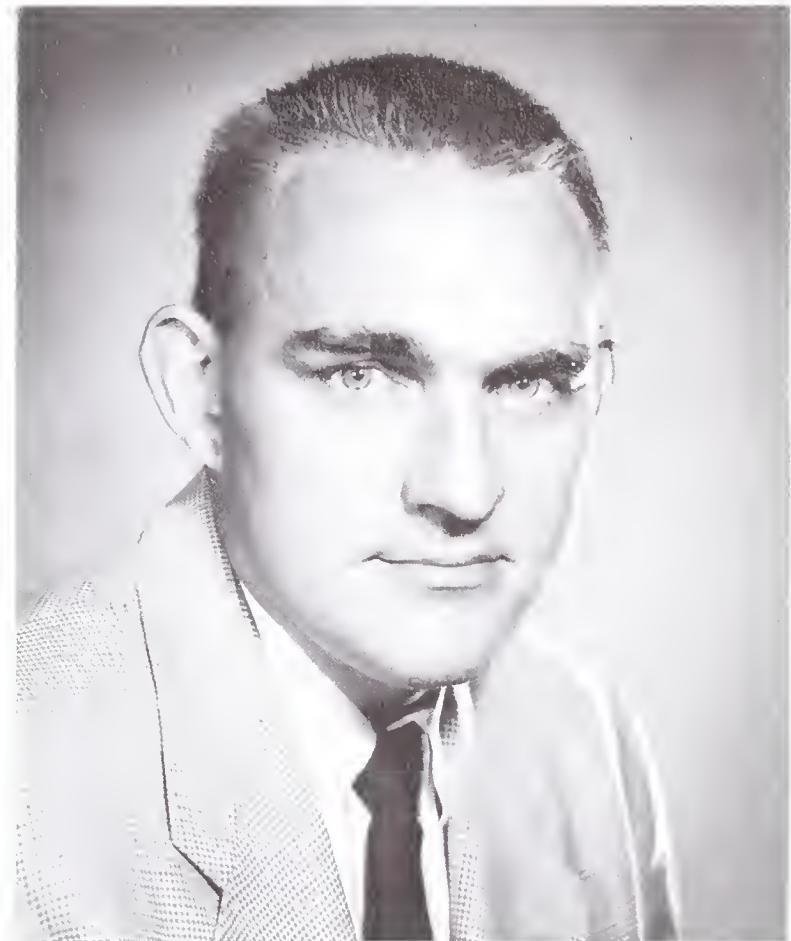

As the first class to be graduated, yours has been the responsibility for laying the foundations upon which will develop the traditions and customs of Saint Mark's. I am convinced that you have labored well. You have laid a three-fold standard for the Saint Mark's boy--earn your successes; face the reality of defeats; and keep your sights high.

As you commence a new phase in your academic career--that phase in which you should ascertain your vocation--I caution you of the danger of any vocation which holds a promise that joy can be found in idleness rather than in honest service. With the former you will find an emptiness in life which abnormal pleasures will not fill. With the latter will come happiness which can be obtained in no other way. The truly educated man most enjoys life when he gives most to his fellow men.

Sincerely yours,

  
Robert L. Bolbach  
Headmaster
